Gatliff Custom Builders

“The Experience is Everything”

We at Gatliff Custom Builders understand that passion along with a total understanding for the need to exceed our Customer's expectations is what separates This Custom Home builder from the others. We design and build houses with charm, character and most importantly, quality components all while avoiding the cookie cutter look. In doing so, we are always very competitive with the competition by our outstanding team of subcontractors and vendors that we use consistently with all of our homes. It's a misperception to believe that you must work with a production builder in order to get the best price on your new home. We have partnered with individuals who share our goal in providing a high level of service and quality that allow us to provide our customers a quality home at an affordable price. We offer our clients the best information we possibly can so they may make informed decisions while building their dream home. We design a customer's home based on their budget, guiding them with choices that will meet their needs while maintaining a budget the customer has in mind. Building a new home means writing the biggest check any of us consider writing, and we take that responsibility very seriously. We know that it is our responsibility to give them the highest quality home, for the best value, all while considering their needs and desires. Those who choose to build with us have usually shopped around and compared.

They notice the significant difference in our unsurpassed standard feature package, our quality and the level of service that we are committed to provide to each of our customers. Gatliff Custom Builders currently has gorgeous lots available in the following prestigious developments located throughout Medina and Cuyahoga County; Avery Walden in Strongsville, The Blue Heron Golf Course Community in Medina, White Tail Crossing in Montville Township, Meadow View in Sharon Township and Bella Rosa Estates in Wadsworth Township. Looking for your very own country estate? We have those lots too! Contact Randy or Tracy for more details on that perfect lot that you are searching for.

Also, don't miss the 2010 Medina County Parade of Homes. For this Parade Gatliff Custom Builders has built a beautiful 3600 square foot plus Ranch in the prestigious Avery Walden Development and located at 14377 Castlereagh Lane in Strongsville. Be sure to contact Randy or Tracy now if you are interested in building your next dream home!
